Creating impact through Education, Action and Partnership

SASEANEE (SOUTH AND SOUTH EAST ASIA NETWORK FOR ENVIRONMENTAL EDUCATION) CONNECT

»»» READ MORE

SASEANEE Connect aims to build a dynamic global network of organisations committed to enhancing environment literacy and stewardship in South and South East Asia. The interactive digital platform SASEANEE Connect, supported by outreach initiatives would strive to provide invaluable resources, expertise, and strategic insights for diverse audience including youth, educators, local communities, government bodies, and partner organizations promoting green education, capacity building and sustainable living.

In 1993, Centre for Environment Education (CEE) in partnership with IUCN CEC launched SASEANEE, a workshop to bring organizations and people together to share resources, and experiences for Environment education in countries across the region. The workshop brought together 200 delegates from 16 countries who synergized and worked together to provide recommendations across 21 aspects of environmental education. This network further conducted several residential training, newsletters, courses, and multilateral collaborations within countries until 2005.

HISTORY

SASEANEE UPDATES

<https://www.saseanee.org/html/home.html#join-network>
- **Celebrate International Forests Day on 21st March 2024 with SASEANEE.**

SASEANEE @ WEEC

On January 30th, during the World Environment Education Congress in Abu Dhabi, SASEANEE hosted a meeting attended by esteemed environmental leaders. Mr. Kartikeya Sarabhai led the session, sharing updates on projects and outlining our objectives. We also explored opportunities for collaboration with potential new partners. We seek to actively engage in successful networking across the region, working collaboratively for a better and more sustainable tomorrow.

CELEBRATING WORLD WETLANDS DAY!

An online quiz was conducted on the occasion of World Wetlands Day through Google forms where questions covering the concept, importance and facts relate to wetlands were framed. The link was shared on LinkedIn SASEANEE page and also posted on various platforms and networks. More than 100 people participated in the Quiz, including participants across the region and beyond.
