### SASEANEE (SOUTH AND SOUTH EAST ASIA NETWORK FOR ENVIRONMENTAL EDUCATION) CONNECT

In 1993, Centre for Environment Education (CEE) in partnership with IUCN CEC launched SASEANEE, a workshop to bring organizations and people together to share resources, and experiences for Environment education in countries across the region.

SASEANEE Connect aims to build a dynamic global network of organisations committed to enhancing environment literacy and stewardship in South and South East Asia. The interactive digital platform SASEANEE Connect, supported by outreach initiatives strives to provide invaluable resources, expertise, and strategic insights for local communities, government bodies, and partner organizations promoting green education, capacity building and sustainable living.

### SASEANEE at ASPBAE National Consultation Members meeting India , New Delhi

The ASPBAE National Consultation Meeting for India members was held on July 30-31, 2024, in New Delhi. The consultation saw the participation of 26 members representing 17 organizations. CEE, an active member of the Asia South Pacific Association for Basic and Adult Education (ASPBAE), contributed significantly to the discussions.

A SASEANEE team member represented CEE and was invited as a panelist to present on climate change education, sharing strategies for effective implementation and insights from CEE's relevant programs. An effective strategy highlighted in the presentation was networking, with the SASEANEE Network cited as an example. This event provided a valuable opportunity for SASEANEE to connect with the ASPBAE network, emphasizing the importance of addressing emerging educational issues in the country and contributing to the recommendations for shaping ASPBAE's next five-year plan.
